Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Doug D. Nebert National Spatial Data

Infrastructure (NSDI) Champion of the Year Award

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of Information Collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the U.S. Geological Survey (USGS) is proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*].

ADDRESSES: Send written comments on this information collection request (ICR) to the Office of Management and Budget's (OMB) Desk Officer for the Department of the Interior by email at OIRA_Submission@omb.eop.gov; or via facsimile to (202) 395-5806. Please provide a copy of your comments to USGS, Information Collections Clearance Officer, 12201 Sunrise Valley Drive, MS 159, Reston, VA 20192; or by email to gs-info_collections@usgs.gov. Please reference OMB Control Number 1028-0115 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Rich Frazier, Federal Geographic Data Committee, by email at fgdc@fgdc.gov, or by telephone at 703-648-5733. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>. Individuals in the United States who are deaf, blind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or

TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA of 1995, we provide the general public and other Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A Federal Register notice with a 60-day public comment period soliciting comments on this collection of information was published on March 23, 2022, 87 FR, 16479. No comments were received.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) is the collection necessary to the proper functions of the USGS; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the USGS enhance the quality, utility, and clarity of the information to be collected; and (5) how might the USGS minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment - including your PII - may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Abstract: Nominations for Doug D. Nebert National Spatial Data Infrastructure (NSDI) Champion of the Year Award are accepted from public- or private-sector individuals, teams, and organizations, and professional societies in the United States. Nomination packages include three sections: (A) Cover Sheet, (B) Summary Statement, and (C) Supplemental Materials. The cover sheet includes professional contact information. The Summary Statement is limited to two pages and describes the nominee's achievements in the development of an outstanding, innovative, and operational tool, application, or service capability that directly supports the spatial data infrastructures. Nominations may include up to 10 pages of supplemental information such as resume, publications list, and/or letters of endorsement. The award consists of a citation and plaque, which are presented to the recipient at an appropriate public forum by the FGDC Chair. The name of the recipient is also inscribed on a permanent plaque, which is displayed by the FGDC.

The Doug D. Nebert National Spatial Data Infrastructure (NSDI) Champion of the Year Award honors a respected colleague, technical visionary, and recognized U.S. national leader in the establishment of spatial data infrastructures that significantly enhance the understanding of our physical and cultural world. The award is sponsored by the Federal Geographic Data Committee (FGDC) and its purpose is to recognize an individual or a team representing Federal, State, Tribal, regional, and (or) local government, academia, or non-profit and professional organization that has developed an outstanding, innovative, and operational tool, application, or service capability used by multiple organizations that furthers the vision of the NSDI.
